Hi – Chris Dresser, Claudia and myself met with WEA yesterday to respond to the set of questions that they sent to us in June regarding our proposed Uinta Basin FIP. Attached are our notes from the meeting. We have a couple of items we need to discuss internally that are noted in comment bubbles.

Bruce,

I told Alison that you should look at this before it goes forward. These are some questions from WEA on Uinta Basin FIP. Just send any comments to me so we can limit the number of versions out there.

Thanks,

David

Chuck,

I've added my comments to those of Alison and Chris. It is my understanding that David Cozzie has yet to weigh in. Hopefully, he hasn't started his review so that he can add his comments to

Hi Greg and Chris,

As I mentioned last week, please see the attached draft talking points for a call with WEA in response to the questions they sent to us, for your review. Please share with others as needed in OAQPS. I am cc'ing our ORC so they can coordinate with OGC as well on these talking points.

Thanks,

Dee
